## LILY CALL BRINGS OUT BEST NEWPORT HARBOR ANGLERS

This year's Lily Call 4# Tournament saw it all weather wise. Saturday was calm and hot, while Sunday brought in low overcast skies and a chilly wind. Conditions were far from ideal with the water temps right around 58 degrees and the water had a not so nice dirty brown tint to it. Needless to say fishing was fairly slow for the 72 anglers who fished this year's event.

There was however a fair Croaker bite back behind the PCH Bridge. That's where John "JD" Doughty spent most of his fishing time and his patience paid off winning first place in the Croaker division with a 6#10oz Spotfin Croaker. The Corbina were even more skittish but "Old Man Bohannon" fishing with local Bay guide KK nailed a nice 2#5oz fish to capture top Corbina honors. The Basses bit pretty good both days with the leader board changing every few hours and when it was all said and done local favorite Tommy Tupman took down the Bass division with a 3#2oz Sandy. There were no Halibut weighed-in this year.
